

Updated Procedure for acquiring Standard from ASABE library
Oct 2015

Note: You will be limited to 5 documents

1. Get to ASABE from Link on <http://jamshow.org> Web site.
2. On ASABE home page click on *Standards* at top of page.
3. Click on *Member Receive Access* – Top left hand of Standards page.
4. Click on *ASABE Tech Lib* – middle of ASABE Standards page.
 - a. Click on arrow down to bring up search for Document *Number*
 - b. Put in the number for the Standard given in the JAM Premium List. For example it is 500 for the PTO standards. As you can see there are other methods to do a search – Title of document if you know it for example.
 - c. Click on *GO* at bottom of page
5. Search Result page – Click on the Title to select standard PTO types 1-2-3 and 4 Part 1 You will also need Part 2 (a second document) if you need location dimensions for PTO shaft.
6. *Confirm Download*
7. Enter User Name (2015) and Password – (Password for the month) for example *survey* for Oct.
8. Click in Agreement box and Return Key to bring up ASAE Standard.
9. Print Document and save file to your computer so you will have access to it.
